

LADIES AND KIDS TOURS SIGN UP

We are asking that you please sign-up in advance for the ladies and kids tours. Please note, kids tours will depend on whether we get chaperones or not. Descriptions of the tours and events are included in the tentative agenda. Some outings may have a limit on the number of folks that may attend. Make sure you are registered ahead of time, to avoid being left out, and to help me know how many to count on for lunches and transportation. Please indicate which tours you are interested in and list the names of all you are signing up. If you have any questions, please feel free to give me a call at the office.
